Note

In re Municipal and District Fund contribution towards the cost of a building for the Female dispensary at Shimoga.

An estimate for Rs. 6,000 for constructing the above, having been prepared in 1896, the Shimoga District Fund Board and the Municipal Board of Shimoga Town requested to be relieved of the contribution payable by them towards the same on the ground of paucity of funds.

The Government, however saw no reason to grant

Gen. No 873/622 dy 12-2-98 (Sl 17)

the exemption.

A provision of Rs. 2,000, being the contribution payable from District Funds, was accordingly entered in the supplemental District Fund Budget of Shimoga for 1896-97; but not having been availed of before the close of the year, the said provision lapsed.

Subsequently, viz in 1898, an estimate for Rs. 19,726 was prepared by the Public Works Department, which enquired if the two Boards were willing to pay their respective share of cost. Upon this, the Deputy Commissioner has submitted a representation

By Commissioner No $\frac{498}{419}$ dy 17-11-98

No. $\frac{304}{244}$ dy 29-9-98 (Letter to be disposed of)
No. $\frac{432}{-}$ dy 15-11-99 (Ac

to the effect that, as the District Fund Board (as well as the Municipal Board) cannot with its present resources, afford the cost, the work may be carried out entirely from Provincial funds

From enquiries made, it appears that no estimate has been actually sanctioned, and that though a provision of Rs. 1000 on account of the work has been entered in the Provincial Budget for the current year, no expenditure has been incurred.

The financial condition of the Boards is as

With reference to Govt Pro: No 9934 dated 25th February last forwards an extract from the Resolution of the Munl Bd dated 8th March 1896 soliciting to be exempted from paying any contribution towards the dispensary for females and children at Shimoga.

Submitted. From enquiries made in the D.P.W. it is ascertained that the Provincial D.P.W Budget for 1896-97 provides for 1/3 cost of the female dispensary, the remaining 2/3 being chargeable to the Municipal and D.F of Shimoga equally. From want of funds, the D.F. Board of Shimoga were exempted from payment of the usual quota of charges towards the maintenance of the female dispensary at Shimoga & the town municipality were requested to bear the entire cost thereof. Now the municipal Board resolved to request the Govt to ask for exemption.

Under the circumstances the Dy Comr proposes that both the D.F and municipal funds may be exempted from payment, the entire cost being debited to Provincial funds.

The latter is said to be an extension of the Civil Hospital, the Dispensary being proposed to be erected opposite to the market on new ground which has to be acquired. I have the honour to request that you may kindly procure orders of Govt. on the request Submitted in my letter no 304 / 244 / L. 608 dated 29th September 98 that Govt should be pleased to bear the whole cost of the Female Dispensary here. 3 As for the necessity of a Female Hospital, I believe there can be no difference of opinion. As there is already a female dispensary, the provision of a proper building with wards attached would be greatly appreciated by the public. The Civil Surgeon has often brought to my notice cases in which the existence of such a hospital would have greatly added to the convenience of poor patients. As this is one of the three places where a 1st class Hospital exists, it deserves the further boon of a female Hospital. I would on these grounds strongly recommend that the work be ordered to be carried out solely from Provincial Funds.
